

# SMACK! 2022

"Super Paddle Saturday"

February 12th, 2022

---

*I can't think of a better way to spend Super Bowl Saturday than playing paddle all day!*

---

SMACK! is back and better than ever. Actually, I have no idea if this year's event will be any good at all, but there is always hope. It depends on you! The men who brave the weather, the bad calls and Duke judging your every stroke. I heard we have a bunch of new, young talent from all of the surrounding clubs! That's great news and I hope to see a lot of new faces. We even have some players from a land far, far away called Madison who have threatened to enter the fold.

I limit the draw to 28 teams and 28 only. "But Nick, do you make exceptions to having more than 28 teams due to enthusiasm for the event?" No. I am old and very rigid.

I strongly encourage everyone to sign up as soon as possible to avoid the devastation of not making the roster. This is an "A/B" tournament. "Who qualifies as an "A" player?" Most players are not considered "A" players. The "A" players know who they are and then there is the rest of us. If you have a question of whether you are an "A" player, just ask any player you know is an "A" player and they will provide you with the honest feedback you need but may not want to hear. "Sorry, dude, you are free to play with anyone..." "Do I have to play with an "A" player in order to partake or can I partner with another average guy like myself?" Of course you can play with another "B" player. You won't win, but you are welcome to play. The SMACK! Judgement Committee will reject all nonconformers as it relates to the "A/B" format.
